## HOUSE CONCURRENT RESOLUTION

---

A CONCURRENT RESOLUTION urging the establishment of an interim study committee to study annual real property tax assessments.

*Whereas, General reassessments of real property are scheduled to be conducted every four years beginning in 2002;*

*Whereas, The department of local government finance will adopt rules effective in 2006 establishing a system for annually adjusting the assessed value of real property to account for changes in value in those years since a general reassessment of property last took effect; and*

*Whereas, Study is required to determine whether conducting annual general reassessments is preferable to the system for annually adjusting the assessed value of real property: Therefore,*

*Be it resolved by the House of Representatives  
of the General Assembly of the State of Indiana,  
the Senate concurring:*

- 1 SECTION 1. That the legislative council is urged:
- 2 (1) to establish an interim study committee to study the institution
- 3 of annual general reassessments; and
- 4 (2) to include on the committee representatives of the department
- 5 of local government finance and from the county assessors,
- 6 elected township assessors, and trustee assessors.
- 7 SECTION 2. That the committee, if established, shall operate under
- 8 the direction of the legislative council and that the committee shall

- 1 issue a final report when directed to do so by the legislative council.
